## LIBERTY GAMES

BRING YOUR GAME CHALLENGE!

Regardless of political persuasions, the economic environment, or the latest weather conditions; Sports Unite Us! Whether you are a Fan or an Athlete, the passion for sports is Contagious and Inspiring. Nothing matches the sensation of having your team win, and nothing matches the exhilaration of working to succeed and being the first to cross the finish line.

The **Empire State Sports Council** has successfully begun the process to bring back such excitement and lead the way into the next generation of the State Games, and forge a new future for competition-minded athletes and competition-minded audiences throughout the Empire State!

## We Need Your Support to Keep This a Reality

The **Empire State Sports Council** is a Non Profit organization designed to reach the entire State of New York and beyond with an understanding that we offer **Sports for Everyone**, and **Sports for Life**.

**Concept:** Each person **MUST** post a video of themselves performing their chosen "Sport" or "Exercise". Thus the phrase, Bring Your Game! Your "GAME" can be any number of different shapes and sizes, meaning you could shoot Free Throws in Basketball, take a Penalty Shot in Soccer (the same works for Hockey, Lacrosse, Field Hockey, Water Polo, etc.), Throw a Strike at the Bowling Alley, Run a 100m Dash, Throw the Discus (or Shot, Javelin, Hammer, etc.), Swim 25m, Complete any Obstacle Course Design, Hit a Baseball (Softball) or Throw a Strike from Pitcher to Catcher, Serve a Tennis Ball, Spike a Volleyball, Kick a Field Goal. In some cases it may be that you show us a Cheerleading Routine, or that you Jump Rope, do Push-ups, or Bench Press your Weights!

**Challenge:** Upon being "**Challenged**", each person **MUST** perform their choice of **Sport** or **Exercise**, then **Make** and **Post** the **Video** to your **FB** page or **You Tube** account successfully, in order to avoid having to "**Make A Donation**". However, you just need to post the video of your performance within **48** hours of being "**Challenged**". If you **DO NOT**, then you **MUST Make A Donation** to **ES Sports**. Once the "**Challenge**" is met, or a "**Donation**" is made, then be sure to "**Challenge**" others to do the same!
