LIBERTY GAMES

In 2012, the year of the **XXX OLYMPIAD**, a **NEW FLAME** was lit for the first time and will forever burn in the **EMPIRE STATE** as the **LIBERTYGAMES** presents an updated era of Olympic style competition for the Summer Games.

Beginning to research and investigate the need and demand for the return of the State Games, and after nine (9) months of intense work on the prospect of resurrecting this event, birth was given to the **EMPIRE STATE SPORTS COUNCIL**, a **NON PROFIT** organization set up up to rebrand the State Games and provide **ALL ATHLETES** in the **EMPIRE STATE** the opportunity to compete in a better model with more sports than ever before.
